

Join us in Supporting our 1st Inaugural Golf Outing

Friday, September 13, 2019 | Ron Jaworski's RiverWinds
Registration at 11:30am | Shotgun Start at 1:00pm

Established as a charitable organization in 2006, Assistance in Healthcare (AIH) opened its doors in Philadelphia and dedicated itself to helping cancer patients and their families, who are undergoing treatment in the local Philadelphia area.

Because medical expenses can make the road to recovery far more difficult, we attempt to pave the way by providing assistance to those who have become financially distressed as a result of their courageous fight against cancer. AIH makes gifts, in the form of grants, to help defray the costs of non-medical needs such as utilities, housing, transportation and basic living expenses to eligible patients and their immediate family members, so that the patient can focus on what's important - their healing.
